

# EXHIBITION HALL

Exterior that invokes the image of ocean waves

## Massive space for a multitude of purposes

The Exhibition Hall is the largest structure in PACIFICO Yokohama, boasting an exhibition area of 20,000 m<sup>2</sup>. The vast column-free space with a maximum ceiling height of 19 meters can be divided into four units. The layout can be set up in six different patterns, ideal for exhibitions, events, athletic meets, and large-scale parties.
